

Testimonials & Companies Served:

- Hi Ned,

I just want to let you know that I passed the CQE Exam yesterday. Thank you for your speedy and detailed responses to my questions. I can tell you really have a teacher's heart and that you care about the success of your students.

Jimmy Wu

Design Quality Engineer
Medtronic

- Hi Ned and Mark

Thank you so much for the knowledge and great course. It has been a great experience and I learned a lot. I passed the CQE Exam...
